Dear,

Stockwells Ecological Survey

We are progressing with the regeneration plans for Stockwells and as part of this process we need to carry out various surveys of the land and buildings.

The next survey will be carried out on **Wednesday 31st July, Thursday 1st August and Friday 2nd August**. The Surveyors need to attend site to carry out an Ecological Survey. The company that will carry this out is Nevis Eco Services and their representative on site is Eileen Robley. They will be on site for these three days surveying the entirety of the Bromford site including gardens, ponds and individual property lofts.

Ms Robley will need access to your front and rear garden in order to do this as well as your **loft space** and **I would be very grateful if you could make arrangements for the surveyors to access your home on xxxxxxxx**.

If you are only available at a certain time, or are at work during the day, then I would really appreciate it if you could arrange for a family member, friend or neighbour to be at the property to enable us to gain access. I appreciate these dates may cause you inconvenience so if you are only available at a certain time please contact Diane or Mandi below and they will schedule a time that is suitable for you . :-

Name	Working Days	Telephone No.
Diane	Mon , Tues , Wed	01285 855033
Mandi	Wed , Thurs , Fri	01285 855099

Just a reminder to also keep checking on HomeSeeker Plus for homes that you may wish to bid for that will be suitable for your needs.

Thank you for your assistance with these surveys; your help is much appreciated. If you have any further queries please contact Jo Parry as I will not be available due to annual leave. Jo can be contacted on [07540 668922](tel:07540668922) or via email jo.parry@bromford.co.uk.

Yours sincerely,

Claire Thomas
