Dear

Stockwells surveys

We are progressing with the regeneration plans for Stockwells and as part of this process we need to carry out various surveys of the land and buildings.

The next survey will be commence out on Tuesday 27th August 2019. Surveyors need to attend site to establish where the drains, electricity cables and telephone cables are laid. The company that will carry out the survey is M and A Surveys Ltd and their representative on sight will be Fergus Davidson, Mob 07528448608 and Assistant, Ashley Booth. They will be on site for about eight days surveying the roads and the front and rear gardens of no's 13-30 Stockwells.

I would appreciate it if you would allow M and A Surveys Ltd to access your front and rear garden to survey any drains, cables etc. between 28th August and 6th September excluding Saturdays and Sundays. They will advise you *the day before* if they need to access your garden by way of a letter through your door.

If you are only available at a certain time then I would really appreciate it if you could advise the surveyor on site or leave your rear gate unlocked on the day they wish to enter.

Thank you for your assistance with these surveys; your help is much appreciated. If you have any further queries please do not hesitate to contact me.

Yours sincerely,

Claire Thomas

Regeneration Manager
