Dear ,

## Regeneration – Extension of Initial Demolition Notice

You will remember that we wrote to you in December 2019 regarding the non-traditional home that you live in and the Initial Demolition Notice (IDN).

We informed you of our decision to progress our proposals to regenerate 5, 6, 7 and 8 Southlands, Tytherington. In order to progress, Bromford has had to apply to the Secretary of State for an extension to the date of the original IDN issued on 13 March 2013 that is due to expire on 11 March 2020.

Permission has now been granted to issue an extended Initial Demolition Notice (IDN) that will expire on 11 March 2023. This extension will give Bromford a further three years to agree a way forward with South Glos District Council regarding the village green and secure the necessary planning permission for the site.

We will issue you with an Extension to Initial Demolition Notice (IDN) before 11 March 2020. This notice will also be published in the local newspaper on the 5 March 2020. Other than the date of the notice being extended, there are no other changes that will affect you, and we will continue to help and support you to find you a suitable property.

I will telephone you to arrange a convenient date and time for me to visit you in person to discuss this further.

Yours sincerely,

**Jo Parry**
