Dear ,

You may be aware that Bromford is planning to regenerate Barrington Close and Fairford Close to replace the existing homes with modern, energy efficient homes which are affordable for our customers. In order to make the best use of all the available space we are including the garages and parking spaces on the site within the redevelopment area and as you currently rent a garage from us, you will be affected by these plans.

We don't have any timescales now but wanted to inform you of our intentions. We will not be sending you a formal notice to quit the garage until nearer the time. But we are writing to you now because we recognise that you will need some time to either find an alternative solution or, make arrangements to clear the garage.

The formal notice period is just one week so please think about what you need to do now and make any necessary plans, as the garage will need to be completely clear before you return the keys to us. You can still terminate your garage tenancy in the normal way at any time by giving us one week's notice.

If you have any further queries regarding this or any of the plans for the regeneration project, please call or email us on the contact details below.

Yours Sincerely,

Kerry Davis
