

BARRINGTON CLOSE & FAIRFORD CLOSE EXHIBITION OCTOBER 2023

Current Design Proposals

- 1 New terraces of houses frontage looking onto Fairford Close with parking spaces directly outside houses.
- 2 Focal point apartment buildings at the north and southern entrances to the neighbourhood.
- 3 Rear gardens back onto private rear gardens to improve security and make it clear which is the front and private rear of the new houses.

- 4 New green spaces in the centre of the neighbourhood overlooked by houses on all sides, linking to Barrington Green.
- 5 New terraces of houses looking onto Barrington Green to maximise overlooking.
- 6 New, clear, direct pedestrian route through the neighbourhood linking Fairford Close to Barrington Close and then on to Barrington Green.

- 7 New terrace of houses fronting onto existing footpath.
- 8 Windows on the ends of terraces to make sure there are no blank walls and improve overlooking across the neighbourhood.
